

Annual Report — Town of Rutland, Vermont
Year Ending December 31, 1995

NEW DIAMOND RUN MALL
Route 7 South

DAVID S. CREED

The Town of Rutland is extremely proud to dedicate this year's Town Report to David S. Creed.

David has lived on his family farm property on North Grove Street all of his life.

He worked on the family farm and in the construction business, taking over the construction business as Pinnacle Ridge Construction from 1976 to 1986.

He first worked for the Town as a teenager on Town roads under then Road Commissioner, Wallace Fish, and plowed Town roads, both north and south ends, for over 30 years.

Dave served as Road Commissioner from 1980 to 1983, and also gathered information which is incorporated into present Town Road Ordinances. He was an active member of the Vermont Road Commissioner Association, partaking in continuing education seminars.

As a Charter Member of the Rutland Town Fire Department, Dave served as Assistant Chief from 1966 to 1971. He continued to be active in fire fighting and going to various fire schools until slowed down by a heart attack in 1979. He served as fire police, directing traffic at fire scenes for several more years.

Dave was appointed Civil Defense Director in 1971 and served until 1986, and in this capacity, was able to procure surplus Army vehicles for Town use.

He was also Town Service Officer from 1971 to 1986.

Dave lives in Town with his wife, Marcia. They have 6 children and 5 grandchildren.

We wish to thank you, David, for the dedicated years you have given to your Town. Good luck in the future!

AUDITORS' REPORT

TO THE HONORABLE BOARD OF SELECTMEN:

We have, to the best of our abilities, examined the records and accounts of the Town's General Fund and associated funds as of December 31, 1995.

In our opinion, the accompanying financial statements present fairly the financial position of the Town at December 31, 1995, and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have reviewed the accounting controls of the Town Treasurer's Office and have utilized accepted auditing procedures as provided by the State of Vermont.

We especially thank the Town Treasurer for his cooperation and support in assisting us in the examination of the Town records.

Respectfully Submitted,
BOARD OF AUDITORS
JOYCE A SHACKETT
THOMAS R DONAHUE
JOSEPH A SURETHING

TOWN OF RUTLAND 1995 SELECTBOARD'S REPORT

To the residents of Rutland Town,

With much deserved fanfare the Diamond Run Mall opened for business in 1995. Many years of hard work on the part of Mall developers and Town officials has resulted in a shopping experience second to none in the State of Vermont.

Much commercial development took place along US Route 7 South in 1995. The Green Mountain Shopping Center added Staples and began construction on a new Vermont Federal Bank. Shearer Honda relocated to the Town and a new Jiffy Lube opened for business. Other new or improved businesses includes, the Short Stop on US Route 4 East, the improved Citgo Station in Center Rutland and the new Mountain Travelers building on US Route 4 East.

In addition to the increased shopping opportunities and local tax revenues generated by the new commercial development, numerous local individuals have found work at the many new businesses.

The Board of Selectmen began working with five Town neighborhoods in 1995 to try to resolve their water supply problems. On behalf of the five neighborhoods the Town of Rutland applied and received a \$78,000 planning grant award. The money is to be divided and distributed to the neighborhoods for planning studies. The five neighborhoods each have become Fire Districts and each will be required to repay the money they received through the grant awarded to the Town of Rutland.

Approximately \$30,000 of the total grant award will go toward the Town's Municipal well Project. The various planning studies will consider water supply options such as, improving existing wells, building new wells and possibly connection to the Rutland City water system. As of this writing the Town is waiting for the State of Vermont to release the grant award.

The Board of Selectmen continue to evaluate the possibility of developing a Municipal well in the Southern part of Town to ensure continued water availability for future economic development in the south section of Town. The Town is presently negotiating with Mr. Mark Foley regarding the future ownership of the well location.

The much maligned North End Sewer Line became operational in November

1995. The connection of the Town Elementary School to the new sewer line means the threat of on site septic pollution has been eliminated.

It also means the School can accommodate increased numbers of students without environmental concern for the septic system. The North End Sewer Line will no doubt serve as the catalyst for economic development along US Route 7 north of the Post Road. We hope to reap financial benefits from the sewer line over the next decade as new users connect to the sewer line.

In order to provide a safer environment for Town residents the Board of Selectmen is working to establish Enhanced 911 or E911 service in the Town of Rutland. When fully implemented every road with three or more living units will have a name, every home will have a house number and most importantly the emergency response dispatcher will know the caller's house location just by picking up the phone. Presently a caller must tell the dispatcher their location, under E911 the caller's location will be automatically displayed on the dispatcher's screen once the emergency call is received.

The Board of Selectmen created a Police Committee in 1995 in order to better determine whether law enforcement services are being provided in the most economic manner. It is expected the Police Committee will review various law enforcement matters before making a recommendation to the full Board. Two Selectboard members will serve on the Police Committee.

The Board of Selectmen voted to reject both the Planning Commission's and the Ad Hoc Committee's Zoning proposals in 1995. Much has been said and much has been written about the future of Zoning regulations in the Town. As of this writing two members of the Board of Selectmen and two members of the Planning Commission plan to sit down and work cooperatively on developing a Zoning Document acceptable to the Board of Selectmen.

Like old man river the Bypass Study just keeps rolling along. The Board of Selectmen continue to closely monitor the Bypass planning process. The Board of Selectmen hired a traffic consultant in 1995 to advise the Board regarding State and Federal decisions made in connection with the Bypass. The Board will continue to object to the construction of a Bypass and will insist that major internal improvements be made in the City of Rutland before building a Bypass in the Town of Rutland. The Board continues to support the Wheelerville Bypass route proposal.

The Farmers Market moved to the Town in 1995 and is doing very well at their location off Randbury Road, behind Kinney Motors.

The Transfer/Recycling Station opened to the public in 1995 and the recycling program was expanded to include additional items. The new facility also hosted the Town's first joint Household Hazardous Waste Collection Day, which was open to neighboring towns and was a big success. Your continued support and trash is appreciated.

The Selectmen would like to thank the many individuals, both paid and volunteer, for their dedication and contribution to the Town's success in 1995.

Respectfully submitted,

RUTLAND TOWN SELECT BOARD

Rodney T Gallipo, Chair

Clifford W Young, Clerk

Karen A Bossi

John Paul Faignant

John D Flory Jr

RUTLAND TOWN WARNING

The legal voters of the Town of Rutland are hereby warned to meet at the Rutland Town Elementary School on Post Road on Monday, March 4, 1996 at 7:30 PM to discuss Articles #2 thru #25.

VOTERS — PLEASE NOTE

**IF YOU ARE UNABLE TO VOTE
ON TUESDAY, MARCH 5, 1996
PLEASE CALL TOWN CLERK'S OFFICE
AT 773-2528 FOR AN ABSENTEE BALLOT
AND WE WILL MAIL IT TO YOU
OR
COME TO THE OFFICE IN PERSON TO VOTE.
PLEASE TAKE ADVANTAGE OF THIS OPPORTUNITY!**

**INSTRUCTIONS FOR VOTERS
OPTECH TABULATORS
PRESIDENTIAL PRIMARY**

Here is some basic information for you, the voter. If you have any questions after reading this poster, or at any time during the voting process, ask your town clerk or another election official.

CHECK-IN

1. Go to the entrance checklist table.
2. Give your name, (and, if asked), your residence to the election official in a clear, audible voice.
3. Wait until your name is repeated and checked off by the official.
4. **When asked by the official, declare which party ballot-Democratic, Liberty Union or Republican-you wish to vote.**

ENTER

1. Enter within the guardrail and do not leave until you have voted.
2. An election official will hand you a ballot.
3. Go to a vacant booth.

MARK YOUR BALLOT—VOTE FOR ONLY ONE CANDIDATE

1. To vote for a person whose name is printed on the ballot, complete the arrow to the right of the name of the candidate.
2. To vote for someone whose name is not printed on the ballot, use the blank "write-in" line on the ballot and complete the arrow to the right of the name.
3. Your ballot will be counted by a tabulator. **DO NOT FOLD, BEND OR DAMAGE the card.**

CHECK-OUT

If your town uses an exit checklist,

1. Go to the exit checklist table.
2. Give your name to the election official in a clear, audible voice.
3. Wait until your name is repeated and checked off by the official.

VOTE

1. Place your voted ballot into the tabulator.

LEAVE

Leave the voting area by passing outside the guardrail.

NOTICE TO VOTERS Presidential Primary Election

BEFORE ELECTION DAY

CHECKLIST POSTED:

By Sunday, February 4, 1996. Make sure your name is on it. If your name is not on it,

REGISTER TO VOTE:

When: No later than twelve noon on Saturday, February 24
Where: Town Clerk's Office

PARTY CHOICE:

In the presidential primary, you must declare which party ballot (Democratic, Liberty Union or Republican) you wish to vote, and your choice is a public record.

ABSENTEE BALLOTS:

When: On March 4, apply no later than 5:00 p.m. or close of the clerk's office if for self, and no later than 12:00 noon if on behalf of another person.

Where: Town Clerk's Office

How: Either in person, in writing or by telephone. If voting absentee, you must declare which party ballot (Democratic, Liberty Union or Republican) you wish to vote.

Who: Voter or family member may apply all three ways above; Other authorized person may apply for voter in person or in writing.

Ways of voting absentee:

Vote in town clerk's office before the deadline

Have ballot mailed to you, and mail or take it back to the clerk's office before election day or to polling place before 7:00 p.m. on election day.

If disabled or ill, have two justices of the peace bring a ballot to you at your home on the day before or the day of the election.

SAMPLE BALLOTS POSTED:

Saturday, February 24.

ON ELECTION DAY

If your name was dropped from the checklist in error, explain the situation to your town clerk and ask that it be put back on.

If the problem isn't cleared up to your satisfaction, have the town clerk, a selectperson or other members of the board of civil authority call an immediate meeting of the members of the board who are present at the polls. They should investigate the problem and clear it up.

If you are still not satisfied, you may appeal to a superior court judge, who will settle the matter that day. Call the Secretary of State's Office at 1-800-439-VOTE for more information.

If you know voters who have physical disabilities, are visually impaired or can't read, let them know they may bring a friend or relative to help them vote.

If you know voters who cannot get from the car into the polling place, let them know that a ballot may be brought to their car by two election officials.

DO NOT

Knowingly vote more than once, either in the same town or in different towns.

Mislead the board of civil authority about your own or another person's eligibility to vote.

Interfere with the progress of a voter to and from the polling place.

Socialize in a manner that will disturb other voters.

FOR HELP OR INFORMATION

Call the Secretary of State's Office
1-800-439-VOTE

OR

TTY: 1-800-253-0191 VOICE: 1-800-253-0195

NOTE

Many people after a snowstorm are plowing or snowblowing into and across a Town highway. This is against State and Town laws, creating a dangerous condition of obstruction and narrowing of Town roads.

Please refrain from carrying on this practice otherwise we have no alternative but to turn this matter over to the Town Constables

Thank you for your consideration in this situation.

Board of Selectmen

TOWN TAX COLLECTOR
Richard S Lloyd

TAX COLLECTOR'S REPORT
31 December 1995
Richard S Lloyd, Tax Collector

The delinquent taxes are, once again, one of the lowest, per capita, in the State of Vermont! I would like to thank the Board of Selectmen and the staff at the Town Clerk's office for all their support during the past year.

3	Neut Male/Spayed Female	at	7.50	22.50
50	Males/Females	at	9.00	450.00
2	Males/Females	at	13.50	27.00
2	Kennel Licenses	at	30.00	60.00
2	Kennel Permits	at	10.00	20.00
<u>564</u>				<u>\$3,124.50</u>

—NOTE—

A person who owns or keeps a dog more than six months old shall annually, on or before April 1, cause it to be licensed and shall pay \$5.00 for each neutered male or spayed female dog, \$9.00 for each male or female dog. If the license fee for any dog is not paid by April 1, a 50% penalty is added.

Before a person shall be entitled to obtain a license for a spayed female or neutered male dog, he shall exhibit to the Clerk a certificate signed by a duly licensed veterinarian showing that the female or male has been sterilized.

Before obtaining a license for a dog six months of age or older, a person shall deliver to the Town Clerk a certificate or certified copy thereof signed by a duly licensed veterinarian, stating that the dog has within 24 months been vaccinated against rabies with a vaccine approved by the Department of Agriculture. The Town Clerk shall keep the certificates or copies thereof on file.

DOG TAGS ARE AVAILABLE NOW! PLEASE COME IN AND AVOID THE RUSH BEFORE APRIL 1st. THANK YOU!

Richard J. DelBianco
Town Clerk

AUDITORS' REPORT

TO THE HONORABLE BOARD OF SCHOOL DIRECTORS:

We have examined, to the extent of our abilities, the records and accounts of the Rutland Town School District as of June 30, 1995.

In our opinion, the accompanying Financial Statements present fairly the financial position of the School District as of June 30, 1995, and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have examined and tested such areas as cash, receipts, disbursements, investments, school petty cash and athletic fund accounts, and have verified figures on the accompanying financial statements. We have sent copies of our management letter stating any weaknesses there may be to the Town Treasurer and the Board of School Directors.

We thank the Town Treasurer and others connected with the Rutland Town School District for their cooperation and support in assisting us in this year's examination of the School records.

Respectfully submitted,
BOARD OF AUDITORS
Joyce A Shackett
Thomas R Donahue
Joseph A Surething

RUTLAND TOWN SCHOOL BOARD REPORT

1995 was an exciting year at the Rutland Town Elementary School with the completion of our new addition project. After working through some minor delays, our students returned for the 1995-1996 school year to a building which has a new gymnasium and several new classrooms, including home economics, an art room, industrial arts, band and chorus. In addition, a second floor over the classroom space will allow for future expansion of up to seven more classrooms. The completion of the building project together with the sewer/sidewalk project provided Rutland Town residents with a school facility in which everyone can take great pride.

In November of 1995, our students sponsored the second annual seniors' luncheon which is intended to provide the Rutland Town senior citizens with an update on school events and happenings. This year following a turkey dinner and entertainment by the school band, our seniors were provided with a tour of the new facility. We hope that the seniors will be able to take advantage of the school building for their gatherings and programs.

Enrollment at the Rutland Town School continued to grow in 1995 and we anticipate that enrollment will approach 480 students over this and the next school year. We are pleased to announce that a new contract with our teaching staff has been tentatively agreed upon which will provide us with an increase to the school year over the next few years. The details of the new contract will be available upon completion of the written agreement, which is expected to be finished prior to Town Meeting Day.

At the school board level, 1995 saw some personnel changes with Chuck Shomo filling the seat of Laurie Thomas who retired after several years of service to the Town. In addition, Michael Shahan returned to the Board when Ray Washburn received a transfer in his employment which required him to move to the St. Albans area. We certainly wish to thank both Laurie and Ray for their time and effort over the years.

1996 holds additional promise for the improvement of our curriculum and educational plan at the elementary grade level. The 1996-1997 budget, if approved, will add foreign language and improved technology as well as additional support for

existing grades and school programs. We thank the citizens of Rutland Town for their support during 1995. We believe that this support has been well worth the effort with the achievements which have been realized by Town students in their high school and college years. We are pleased to report that the overwhelming majority of our students have been very successful in high school and most have gone on to higher education.

One final word about the elementary school is that our building principal, Mr. Mark Genovesi, has announced that he will be leaving at the end of this school year. Mr. Genovesi has served our students and Rutland Town for the past five years and we certainly wish him well in his future endeavors. The school board meetings are held on the second and fourth Tuesday of each month. Town residents are encouraged to attend and provide input on the important issues dealing with the education of our children.

Respectively submitted,

S. Stacy Chapman Chair
Lynette Gallipo, Clerk
Donald Tredtin
Charles Shomo
Michael Shahan

RUTLAND CENTRAL SUPERVISORY UNION Annual Report

It is a pleasure to share with you my observations of the condition of the RCSU on this cold January evening. Elsewhere the School Board has reported on our school and their responsibilities. I will focus on those matters of collective interest of the three school districts. Supervisory Unions were created to provide the mechanism for providing economies of scale, financial management and control, effective implementation of state and federal laws and regulation, and statistical reporting. Most important, common sense indicates, given the shortage of time and money, that we should work together on some education issues—particularly curriculum, instructional practice, and assessment.

RCSU management must be accountable to its community. I am happy to report that the performance of systems and personnel in the RCSU central office has been exemplary. The audits indicate that the financial management and control systems are working well. Four of the staff develop budgets, meet payrolls, manage contracts, pay bills, make the statistical reports, and manage the grants under complicated federal and state procedures, keep records and legal files for three school boards and four teacher and staff bargaining units. Yes, Karen White, our special education manager and I provide leadership and the Principals and office staffs at the four schools play an important role, but it is Kathie Bryant, Shirley Molnar, Sylvia Curtis, and Doreen Owens who make it happen—competently and with good humor. Nancy Courcelle, the executive secretary to Karen and me holds it all together.

1995 was a year of growth for the RCSU in its educational role. As you know, in this time of budgetary restraint and government mandates, money and time are in short supply. We have made progress here. We successfully competed for a State Planning Grant of \$11,500 and directed our Federal Title 6 Grant to provide the support for EPIC, the acronym for the RCSU school improvement program. Just as important, we also gained time by adopting more unified common calendars. Past calendars have precluded common time for staff development.

EPIC is the RCSU's strategic planning process. There are three elements: a RCSU planning team, a Rutland Town planning team, and task forces on specific education activities. The "Draft" RCSU team mission statement, currently being discussed states:

"The RCSU EPIC Planning Team is a partnership of leaders who will encourage, support, and advise its constituent towns and schools in order to improve student learning through sound planning and practice and thereby achieving the high standards expressed in the Vermont Common Core."

Although the supervisory union-wide team has leadership and fiscal responsibilities, the Rutland Town planning team is where "the rubber hits the road." If EPIC is successful, Rutland Town will create a strategic plan for its school in 1996. It will state its education beliefs, define its mission, recognize its parameters, establish its goals, and develop the strategies and action plans needed to reach its goals and meet its mission. Please pardon the planning jargon. I want a plan that leads to improved students performance. It is my hope that in the end everyone will know what our children are expected to know and be able to do and when, and how we measure their performance. The plan will indicate the strategies and action plans to get results.

The task forces will provide support in curriculum, assessment, staff and program development, and student development.

Finally, EPIC is a partnership; parents, teachers, administrators, and community members—and perhaps students at the high school level—from the start, before decisions are made! Right now seven parents from the three towns are involved in the opening seminar, but more must be involved in town district planning. Call me if you want to be involved.

Please tolerate a brief comment on the environment for school (learning community?) today. There is considerable turmoil. Many believe if one just "twists this" and "tweaks that," then all problems will go away. Commissions analyze, politicians pontificate, talk-show hosts rant and rail, and interest groups operate. Bashing is the latest spectator sport. Some educators can be too defensive and self-serving. My hope is for greater focus on what counts, commitment, and a little less noise.

A wise person once said that you can judge a society by how it treats its young and its elderly. Our students are our customers. Serving them is our enterprise. It is my most profound hope that Rutland Town, Proctor, and West Rutland pull together as caring and learning communities for our children's sake. Love them. Read to your younger children, be patient with your teenager, provide guidance and know where they are and what they are doing. Join a committee, attend and participate in school activities, talk to teachers, administrators and Board members, understand and appreciate contrary opinions, find the facts first, advocate—and vote. Yes, time is in short supply these but please [participate—somehow and in some way. Our children need us.

Respectfully submitted,

Donald V. Webster, Superintendent

**Rutland Central Supervisory Union Notice
Handicapped Children
Ages 0-21 Years**

The Rutland Central Supervisory Union, Proctor, Rutland Town and West Rutland, in meeting the requirements of its Local Education Agency Plan, is attempting to identify any and all area resident children between the ages of 0-21 years who may be considered handicapped. These children are entitled to receive an education, regardless of handicap, at public expense. It is possible that the Rutland Central Supervisory Union may not be aware of the residence of all handicapped children. If you know of a child who might be eligible for educational services and is not in school, please notify the Director of Student Educational Services, P.O. Box 440, 22 Evelyn Street, Rutland, VT 05701, or phone 775-4342.

I wish to give my sincerest "Thank You" to the Officers and Firemen for all they have given to their town and its Fire Department during 1995. To the Ladies Auxiliary, we do appreciate all you do for the Fire Department, and for being there when we need you.

Yes, 1995 has been a very busy year for the Rutland Town Fire Department. With the building and opening of many new businesses in the Town of Rutland, including the Diamond Run Mall, Staples, Head West, along comes the normal increase in calls for fire alarm system problems, increased accidents, and other problem alarms. We, the residents in Rutland Town, should feel extremely proud to have such a great fire department to be able to handle this ever increasing work load. The dedication of the members of your fire department really does pay dividends.

Over the past few years most of you have heard of the new CO (carbon monoxide) detectors. Some have purchased and installed these detectors and your fire department has increasingly responded to activations of these detectors. The two questions usually asked about these CO detectors are: (1) are they worth the cost? Answer: Yes, CO (carbon monoxide) can be deadly; and (2) How did people survive without such detectors? Answer: Some did not. Carbon monoxide is odorless, tasteless, and unseen. If you CO detector goes off treat it as you would your smoke detector: Get the occupants out of the structure and then call the fire department for assistance.

The Men and Women of the Rutland Town Fire Department would like to thank each and every resident and business of the Town of Rutland for their support. If any resident wishes to stop by on Wednesday evenings at either station to view their fire department, or to join your fire department, please feel free to do so.

Thank you!!!!

Respectfully Submitted,
Timothy Perry, Chief
Rutland Town Fire Department

CEMETERY COMMISSIONERS

Byron R Hathaway, Rachel Williams, George J Livak

**CHENEY HILL CEMETERY ASSOCIATION
Annual Report**

The annual meeting of the Association was held with the following officers elected:

President - Byron R Hathaway
Vice President - Rachel Williams
Secretary - George Livak

Many thanks to Tony Flory and Rachel Williams for their work mowing and caring for the Old Cemetery in Center Rutland and the Cheney Hill Cemetery off Pinnacle Ridge Avenue.

All of the lots in section A have been sold and one third of the lots in section B. The increase in interest received on the perpetual account will allow us to layout the remaining lots in section B as well as some of the lots in section C. We also are planning to plant more shrubs along the driveway and to repair the old fence along the east side of the cemetery.

Lot prices for 1996 will remain the same as last year at \$200 for full size lots and \$75 for cremation lots. For information about lots contact Byron R. Hathaway at 775-2624.

There were 15 lots sold this year. This brings the perpetual account principal to \$32,625.00.

Respectfully submitted,

Byron R Hathaway, President
Rachel Williams, Vice-President
George Livak, Secretary

RECREATION COMMISSION REPORT

The Rutland Town Recreation Commission is pleased to present our Annual Report to the Citizens of the Town of Rutland. 1995 was another busy year for recreation in Rutland Town. As most of our citizens are aware, the Town of Rutland has continued to grow in population, resulting in not only an increase in the number of youth participating in our programs, but also an increase in request for programs. The Recreation Commission has attempted to respond to these additional needs, while still maintaining cost efficiency.

One of the most important accomplishments of the Recreation Commission was the complete refurbishing of Northwood Pool. As most people are aware, Northwood was beginning to show signs of wear and it was absolutely essential to refurbish and take care of some structural wear in order to ensure the pool would serve the town in the future as well as it has in the past. We also added a Snackbar at Northwood Pool this past year. Not only has this provided another source of revenue, but also makes a light lunch available to its patrons.

This past year also saw the opening of the new gym at Rutland Town School. This was extremely important to recreation in Rutland Town as the Recreation Department runs the basketball program for youth in Grades 3-6. We would like to thank the Rutland Town School Board and the staff at the School for their continued support of recreation in the Town of Rutland.

We also refurbished the tennis courts at Northwood Park during the past year. This summer we plan to refurbish the tennis courts at Dewey Field. We believe that with proper maintenance these facilities will continue to serve our population.

Additionally in 1995, the Recreation Commission has worked very hard on developing two additional fields located on school property at Northwood Park. These fields should be ready for use in the upcoming spring and summer season and will include soccer as well as baseball fields. This will alleviate the shortage of field problem for our programs.

Rutland Town is extremely fortunate for the large number of people in our community who are willing to volunteer their time to the youth of our town. The Recreation Commission as well as the Town as a whole owes much gratitude to the people who volunteer in our Baseball, Basketball, and Soccer Programs, serving as coaches. We also would like to thank everyone who has sponsored teams, donated services and offered financial support to recreation.

In closing the Recreation Commission would like to thank the Board of Selectmen, the staff at Town Hall, the Rutland Town School Board, the Staff at Rutland Town School, the Staff of Northwood Pool, our volunteers, and the citizens of Rutland Town for their deep commitment to recreation. If citizens have any questions or comments regarding recreation, we sincerely hope they contact any member of the Commission to express their views.

**RUTLAND FREE LIBRARY ASSOCIATION, INC.
Annual Report, 1994-95**

The development of the mind is critically important to the life of an individual in a community and to the community as a whole. Our ability to understand, plan, communicate, reason and enjoy our leisure time is essential to the quality of our lives and enables us to fully participate in the world around us.

The Rutland Free Library, recognizing that learning is a dynamic, life-long process, is committed to providing a variety of avenues to meet the diversity of individual needs and to provide those important links between our past, present, and future.

Mission Statement

A strong commitment to this mission has guided the Board of Trustees, the library staff and the Friends of the Library through this past year as we endeavored to insure that the region's largest public library was meeting the needs of area citizens.

The business of the library is the community. It is our job to buy books, magazines, videos, cassettes, newspapers and CD software to support a very wide range of interests and needs for every individual. We buy and circulate items to help families buy cars, repair their homes, build new ones and raise their kids. We buy materials to help the business community get started, keep going, to encourage growth and to remain healthy. We buy materials for students as young as first graders and throughout the lifetime of learning. We recognize that many adults are returning to school for the first time in decades and will need materials to help them with that transition to their college library. We buy books and tapes and videos for exploration, for learning, for fun, for the joy of reading, for growth, to help stop the pain, for excitement, for escape, for re-entering the world.

In addition to books, tapes and software, we work hard to provide a wide range of programs and other outreach activities. In between story hours for preschoolers and book discussion groups for adults we hosted the AIDS quilt as co-sponsors with the Chaffee Gallery, RAVNA and Crossroads, we teamed up with the Recreation Department for a Children's Performing Arts Series and we planned numerous events for children both during the school year and as part of the Summer Reading Program.

During our first complete year as a fully automated library we learned that on any given day a minimum of 18,000 items are out in use. Our circulation statistics still exceed those of all other public libraries in the state; the number of registered library users exceeds 11,000. We also completed a full online connection to the Rutland High School library so that students and teachers can have access to our holdings. State involvement with internet access issues kept the Department of Libraries from installing public access to VALS within the year but Rutland has been promised first-in-line status during this fiscal year.

To help with this enormous task we are aided by the Rutland Friends of the Library who, through year-long fund-raising efforts, purchased a bike rack, a microphone/speaker system, computer accessories, cassette and paperback racks, and who have authorized funds for an outside book return. The library also receives an enormous amount of help from a core of very hard working volunteers who mend books, enter computer data, prepare new items for use and keep our date-due cards and magazines flowing. The Rutland Garden Club provides continuous care for the beds they planted in 1990.

The library is a private non-profit corporation supported in large part by taxes from
Rutland Town Report 1995

the communities of Rutland City, Rutland Town, Mendon and Ira. This spring Tinmouth voters petitioned for and passed a budget item giving them full, free access to the library for the first time as well. Trustees from these communities represent the concerns of the supporting towns.

**RUTLAND REGIONAL PLANNING COMMISSION
Annual Report—1995**

The Commission's Mission is to: (A) provide leadership and technical expertise to encourage cooperative planning with and among the region's communities and areawide interests; and, (B) strive to improve the quality of life for people in the region by promoting harmony between sustainable economic development, environmental interests and other planning issues.

In pursuit of that Mission, the Commission continued to work closely with regional communities to create a cooperative and positive planning process and:

- Completed the update of the *Rutland Regional Plan* for use by communities in developing local plans and in guiding regional development.
- Worked with Poultney, Pittsford, Clarendon, Wallingford, Shrewsbury and Pawlet on revising or preparing their local plans or zoning regulations.
- Continued the comprehensive regional transportation planning program through the Rutland Regional Transportation Council. The Council represents the region's 27 communities and has developed a prioritized list of transportation problem areas and identified projects, for funding by the Agency of Transportation, that would help to solve the problem areas. The Council also began to develop comment on the Agency of Transportation's project "pruning" proposal.
- Continued our very successful cooperative purchasing program for fuels that has saved Brandon, Castleton, Clarendon, Hubbardton, Ira, Middletown Springs, Orwell, Pawlet, Pittsford, Poultney, Sherburne, Shrewsbury, Tinmouth, Wallingford, Wells, West Rutland and other nonprofits and school districts substantial amounts on their fuel oil, diesel and gasoline purchases;
- Continued using our geographic information system to give communities graphical information that helps in local decision making.
- Assisted communities with mapping, road naming and road numbering for the future E-911 system.
- Implemented a common phone system with the Rutland Economic Development Corporation and the Rutland Region Chamber of Commerce to continue coordination of our activities and programs.
- Helped to organize the Rutland Region Education Alliance a non-profit corporation dedicated to improving education in the Rutland Region and insuring that students have the tools to move from school to work.

Please join us as we continue these and other efforts to generate regional cooperation and make planning in Rutland County a truly grassroots process.

For the eighth consecutive year, **dues will remain at \$500**. We ask that you include this small amount in the selectmen's budget as part of the "local planning" line item.

TOWN PLANNING COMMISSION

 J Barry Burke, Christopher Oakman

RUTLAND TOWN PLANNING COMMISSION

The Rutland Town Planning Commission in 1995 reviewed and approved 11 subdivision applications, considered and approved one Town Plan amendment, and reviewed and offered comment on several Act 250 applications.

At our regular meeting on the first and third Thursdays of each month we also heard complaints from town citizens about neighboring land use problems. We attempted, within our limited authority, to solve those problems as best we could. But we don't have the tools we need to guide growth effectively in Rutland Town.

We have only our subdivision regulations to regulate land uses locally. If a project does not involve a subdivision of land, although it may have potentially great impacts on the town we have little authority over it. Act 250 triggers review of projects involving an acre or more in size. While we can participate in Act 250 proceedings and our Town Plan has some impact there, the ultimate decision about Rutland Town land use is frequently made outside our borders by the District Environmental Commission.

We are in need of a comprehensive zoning ordinance. According to a poll done in 1991, seventy-seven (77%) percent of the townspeople support the adoption of local zoning. But the zoning proposal we sent to the Selectmen in fall of 1994 was rejected by them.

Your Planning Commission will turn its attention to updating our subdivision ordinance in the coming year.

Our thanks go to the continued hard work of Joseph Zingale, our staff assistant, and to also to townspeople who have supported our efforts in preparing Rutland Town for the 21st century. Your Planning Commission members Charles Brothers, Anthony Belock, Richard Hoenes, Sr., J. Barry Burke, Mary Ashcroft, Robert Dombro, William Corey, George Livak and Christopher Oakman look forward to serving you.

Respectfully Submitted,

Mary C. Ashcroft, Clerk

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.

On behalf of the Board of Directors and Staff of the Rutland Area Visiting Nurse Association, I would like to thank Rutland Town and its citizens for their continued support of RAVNA and its non-profit mission, especially now as we reflect on 50 years of delivering comprehensive home health care in central Vermont.

This past year has been one of tremendous growth and new challenges. In Rutland Town, our nurses, aides, social workers, therapists, homemakers and other staff made a total of 6,914 visits during 1994-95. This number represents service to 298 Rutland Town residents.

We are proud to report that despite our growth, our cost-effectiveness helped keep Vermont's home care expenses the lowest in the nation and kept RAVNA's charges among the lowest in the state. We are also very proud to report that we received no deficiencies on our annual Medicare Survey for the fourth consecutive year.

In addition to providing the highest quality home care, we furthered our commitment to community projects by expanding our childbirth education classes, health promotion programs and continuing our cholesterol, glucose, blood pressure, foot care and flu immunization clinics.

We are deeply appreciative of all the community support our agency has received. To our dedicated volunteers, we offer our humblest thanks and sincerest gratitude.

We are very grateful for the town allocations, United Way funding, foundation grants and individual and corporate donations which have enabled us to continue offering medically necessary services and community programs to all Rutland Town residents, regardless of individual ability to pay or geographic location. That is a tradition of which we are very proud and are committed to preserving.

Rutland Town residents are encouraged to call **1-800-244-0568** if they or someone they know could benefit from our programs and services.

Ronald J. Cioffi
Executive Director

RUTLAND AREA COMMUNITY SERVICES

To the Residents of Rutland Town:

Rutland Area Community Services (formerly Rutland Mental Health Services) is facing the challenge of an increased demand for services in a time of decreased funding. The Town of Rutland's support for local services becomes more critical as we face this challenge and plan for the future.

The programs of Rutland Area Community Services include:

- **Evergreen Center and Quitting Time** for the treatment of substance abuse and addiction;

- **The Associates in Child and Family Services** providing services to children, adolescents, parents, couples and individual counseling;

- **Community Counseling and Crisis Services** for adult mental health treatment programs;

- **Community Access Program** providing services and programs for the mentally retarded.

The fees we collect for these services cover only a portion of the actual cost. Federal, State and local funds, such as Town Giving must cover the remainder. Your past support has been greatly appreciated. Our request for funding has not increased this year.

Rutland Area Community Services has provided 198 units of service to residents of Rutland Town during the past year.

Please support Rutland Area Community Services in our efforts to deliver the highest quality of care and service to your community. We invite you to contact our agency (775-8224) with any questions you may have.

Sincerely:

Gilbert D. Aliber
Chief Executive Officer

Jon S. Readnour, President
Board of Directors

RETIRED SENIOR VOLUNTEER PROGRAM
71B Williams Street, Rutland, Vermont 05701
(802) 775-8220

Dear Rutland Town Residents:

The Retired Senior Volunteer Program (RSVP) is a nationwide program for people 55 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations. Locally, RSVP is the largest program of coordinated volunteer service serving Rutland County with over 450 volunteers.

Currently in Rutland Town, 34 volunteers donate their services to The American Heart Association, American Red Cross, Chaffee Center, College of St. Joseph, Dismas House, Family Connection, Godnick Senior Center, McKerley Health Center, One-2-One Program, Pleasant Manor Nursing Home, Rutland Free Library, Rutland Regional Medical Center, Rutland Senior Chorus, RSVP, SAVE Program, Senior Sense Program, Vermont Southwest Regional Library.

Several intergenerational projects were introduced this year and are available to interested persons, schools and groups:

(SAVE) Senior Artists Volunteer in Education—a joint venture with RSVP and Chaffee Art Gallery provides artists to help increase and supplement arts education and appreciation in schools. **Senior Sense and Seniors & Youth**—a drug and alcohol abuse awareness program presented through informal skits to seniors and schools. **"BITKITS"**—a partnership with area businesses that acquaints students (grades 5-12) with area businesses so as to familiarize them with skills and education needed for future employment. **"Connections for Independent Living"**—designed and coordinated by AARP in cooperation with RSVP, Hospice, Rutland VNA and "ISee" program of SW VT. Council on aging provides volunteer assistance to homebound elders throughout Rutland County.

Thank you for your continued support of RSVP. We invite you to contact us at 775-8220 if you would like to know more about our services.

Sincerely,

Anne P. Rowe, Director

REGIONAL AMBULANCE SERVICE, INC.
ANNUAL REPORT
(Fiscal Year Ending June 30, 1995)
12 Years of Service 1983-1995

To the Honorable Citizens of Rutland Town, VT:

We are pleased to present our annual report to the Citizens of Rutland Town. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service for twelve years. From 1983 to the end of this year Regional has responded to 43,281 ambulance calls. This past year, ending June 30, 1995, the service responded to a total of 5,292 ambulance calls and an additional 1,534 paramedic Intercept calls in our 12 communities.

With the continued support of the citizens, our employees, and community governing bodies, we have level funded and even lowered our assessment rate over the past 11 years. Our current assessment rate is \$6 per capita. We extend our appreciation to everyone for their continued support. The Board of Directors established the General Development and Endowment Fund to receive gifts and administer the fund for the purpose of providing resources to support RAS's general operations. The goal of this fund is to offset operating cost increases, as projected in the five year budget forecast, and to level budget or minimize any future municipal assessments.

A new "Medic One" was built and put into service. This vehicle was converted into an emergency vehicle by our employees and local contractors saving over \$20,000 in the process.

Training is always very important to keep our employees up to date in their skills. Training has been provided in Pre-Hospital Cardiac Life Support, Pediatric Advanced Life Support, Advanced Operations, and a variety of mandatory training to maintain our personnel's certifications.

Monthly C.P.R. classes are taught at Regional Ambulance. Last year the R.A.S. training Center trained 596 people. Tours, lectures, demonstrations, and C.P.R. classes are available for the general public. For further information call 773-1746.

Our professional staff is extremely capable and dedicated. The public is encouraged to visit and talk to the employees and Administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative if you have any questions concerning the service.

On April 18th, 1995 tragedy struck our service when a dedicated employee collapsed of a heart attack while treating a serious motor vehicle accident victim and passed away as a result. This report is dedicated to the loving memory of Floyd "Bud" Langan for his commitment and service to the communities we serve.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc. will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely:

Paul Kulig, President
 Board of Directors

Mary Keirstead

RUTLAND COUNTY - ARC
128 Merchants Row, Rutland, VT 05701
(802) 775-1370

The mission of Rutland County-ARC is to advocate and support the right of each person with a mental disability to be valued as a citizen with the same entitlements as a non-disabled individual.

The specific objectives of the agency are to:

- a) provide information, advocacy and support for individuals, families and other service providers
- b) create, support and monitor services and programs for effectiveness and responsiveness
- c) train ourselves and others in the skills of advocacy and self-advocacy
- d) influence public policy through proposing and lobbying for new legislation and local ordinances
- e) educate through use of media and community participation
- f) collaborate and cooperate with other groups with common goals.

PROGRAMS/SERVICES

1. We are "representative payee" for approximately 50 clients referred to us by Social Security.
2. We assist individuals and family members in filling out annual accounting forms for probate court and serve as a support system for guardians after appointments.
3. We arrange dances, dinners and an annual Christmas party.
4. We find placement in apartments and community care homes, making arrangements for telephone, cable, utilities etc. We negotiate and mediate between landlords, service providers and businesses in cases where a client is unable to resolve an issue independently.
5. We make arrangements for Social Security and SSI benefits for new clients and assist in applying for welfare benefits if necessary. We complete Welfare program reports twice yearly for each client involved in the system.
6. Our Executive Director regularly attends training sessions, support group meetings etc. to advocate, educate and learn about the System. She is currently a member of the Guardianship Task Force to recruit, screen and train prospective guardians. She attends meetings of the MR Advisory Council. She attends monthly meetings of a local self-advocacy group to support and assist individuals to speak about issues of concern themselves. NEW
7. We provide a library of information for referral to other service providers, keeping this information updated (parent assistance workshops, hot lines, educational issues). NEW
8. We provide an important link between state agencies, local agencies, hospitals and schools to make sure clients receive services. We contact case managers and social workers regarding issues of concern both to and about clients.

SOUTHWESTERN VERMONT COUNCIL ON AGING
Report to the Citizens of Rutland Town

The Council on Aging projects that it will spend \$31,502 to provide services to elder residents of Rutland Town during its current fiscal year.

Following is a brief description of the services that the Council provided to older persons in your community during the past year.

Senior Meals

2,652 meals were delivered to the homes of 25 elders who were homebound and unable to prepare a meal. This service is sometimes called "Meals on Wheels." In addition, 47 older persons participated at one or more of the community luncheon sites sponsored by this agency, enjoying 1,129 meals primarily at the Cheney Hill School site location.

Senior Advocate Assistance

This program, providing help mainly to older persons living on fixed and limited incomes, assisted 31 older persons in the Rutland Town community over the past year. Advocate staff helped elders explore programs/service options in such areas as Fuel Assistance, SSI, Medicaid, Food Stamps, etc. They helped with the application process when necessary and intervened on behalf of clients when problems occurred.

Other Service Support

The Council on Aging also assisted Rutland Town elders through such efforts as:

- 1) Information and Referral support via the phone, helping older persons, family members and other interested parties find out about service and program availability.
- 2) Health benefit counseling through its VIP Program, helping elders complete claim forms and resolving other problems connected with claims. They also provided general information regarding supplemental insurance coverage.
- 3) Peer Counseling Support utilizing volunteers to help elders deal with grief and depression associated with various life changing events.
- 4) Legal service assistance through the Senior Law Project Attorney whose position was supported by funding from this agency.
- 5) Providing information about issues of interest to elders through the "Elder Connection" column appearing weekly in the *Rutland Herald*, written by Barbara Hanson, SVCOA's Community Relations Director.
- 6) Essential transportation support through contract with the One 2 One Program.

Additionally, the agency's Community Resource Developer was available to work in partnership with local citizens to help survey area elder needs and work on possible ways to help respond to those needs on a community-wide basis.

BROC BENNINGTON-RUTLAND OPPORTUNITY COUNCIL, INC.

Dear Board of Selectmen and Rutland Town Community:

The Bennington Rutland Opportunity Council, Inc. (BROC) seeks your financial support for the programs and services of our agency.

BROC is your community action agency, as we seek to be partners with you to ensure self sufficiency for our neighbors and friends. We have continued, this year, to focus on assisting families to become self-sufficient. In this process we have served towns in many ways. It is an important goal of ours to help people recognize that they have the ability to direct changes that can make their lives better.

The following table represents activity that BROC performed for Rutland Town in Fiscal Year '95.

COMMODITIES	27 Individuals	
COMMUNITY SERVICES	15 households (4 financially)	495.18
WEATHERIZATION	1 Households	1991.15
MICRO-BUSINESS	3 Individuals	
TOTAL ASSISTANCE:	BROC Funds	2486.33

We seek minimum funding from all the towns that we serve. Our 1996 request for funding from the Town of Rutland Town is \$975.00. Funds received from all of the towns are used to provide direct services to individuals or families, to meet need. We welcome your questions and appreciate your support. Thank you for your consideration.

Sincerely,

Linda G. Rooker
Executive Director

RUTLAND COUNTY WOMEN'S NETWORK & SHELTER
Annual Report

The Rutland County Women's Network and Shelter helped over 2900 people in 1995 with 41 coming from Rutland Town. Some of the services we offer are shelter for battered women and their children and shelter for victims of sexual assault. In addition we run a twenty-four hour crisis line and provide crisis response on the phone, in the hospital, police station, or at the Shelter, and assistance with the Vermont Court System. We also provide individual counseling, help with obtaining clothing, food, and assistance in beginning a new life and a safe household.

Last year we were able to expand our facilities and we have increased our group meetings and added to staff. Our needs for extra room have been met and we have added new programs for the growing number of people that come to us for help.

We are grateful for the help that the voters of Rutland Town have given us in the past. Our needs seem to be always increasing because more families are choosing to live out of danger. We know that we have helped many of your neighbors and friends through this year and with your support we can continue to meet the needs of the ever increasing numbers of families living with domestic violence.

RUTLAND ECONOMIC DEVELOPMENT CORPORATION

To the Citizens of the Town of Rutland:

Everybody talks about better paying jobs ... only the Rutland Economic Development Corporation (REDC) diligently works full time to make it happen. But we can't do it alone. Your town's membership and encouragement is vital. Once a year we ask you to support our effort to strengthen the economic vitality of Rutland County. Won't you seriously consider REDC membership this year?

In the past year we were active on many fronts to improve the economy of the region. Some of our accomplishments included:

- Facilitated the expansion of the Charles E. Tuttle Company to the Airport Industrial Park in North Clarendon, where they constructed their new 36,930 sq. ft. distribution facility.
- Funded \$420,000 in new loans to local firms, which resulted in the retention or creation of 70 jobs.
- Through the Small Business Development Center (SBDC) we served 96 companies from 26 different towns in the county, which resulted in more than two million dollars in financing being placed.

REDC is an organization that seeks members, not donors. In our more than fifty years of operation, we have actively improved the employment opportunities for Rutland Town residents by recruiting companies like Metromail, Moore Business Forms, and General Electric to the region. Our broader mission today, that includes small business lending through our revolving loan funds, is intended to create opportunity throughout Rutland County. Ultimately, we are most interested in creating the value-added jobs that enhance our resident's standard of living, and provide for a healthier regional economy.

We look forward to working hard for you in 1996, and welcome any input your town might have. Your support is greatly appreciated.

Sincerely,

David J. O'Brien
Executive Director

RUTLAND COUNTY DIVERSION PROGRAMS, INC.

Court Diversion is a cost effective alternative to court for first time offenders. Last year, Rutland County Court Diversion processed 390 cases at a cost of \$258 per case. This is a fraction of the cost that would be incurred if the case went through court. Diversion clients performed 1,958 hours of community service and returned \$12,883 in restitution to victims and donations to non-profit organizations in Rutland County last year.

Offenders who go through the Diversion program must be willing to take responsibility for their offense and complete a contract designed by a volunteer citizen review board. Failure to complete the contract **always** results in the case being returned to court for resumption of charges.

Diversion relieves the juvenile court system of 55% of its caseload and the adult court of 12% of its caseload in Rutland County. 88% of the offenders sent to Diversion complete the program and only 3% have further difficulties with the law.

We hope that you will lend your support to this worthwhile, cost saving program.

RUTLAND AREA CULTURAL ALLIANCE
5 Court Street, Rutland, Vermont
(802) 747-3590

To the voters of the Town of Rutland:

The Rutland Area Cultural Alliance is an umbrella organization representing over forty cultural, business, and civic groups in Rutland County who share the belief that cultural activities contribute greatly to the quality of life and economic development of our community. In order to stimulate and facilitate cultural participation, during the past year the Alliance:

- Initiated ambitious projects which pooled the resources of many groups, such as the Rutland Region Ethnic Festival, the publication of the Rutland Region Arts and Entertainment Guide, Phantom Galleries, the publication of walking and driving tour booklets entitled *Views Through Time*, and guided walking tours of historic downtown Rutland.
- Provided funding for collaborative community-based projects including the Missoula Children's Theatre, the Names Project/AIDS Quilt, the Carving Studio for a pocket park, the Center Street Alley Mural Project, the SAVE program (Senior Artists Volunteer in Education), and SolarFest '95.
- Provided services to cultural organizations through the dissemination of information in the form of mailings and a newsletter and the holding of a Financial Management Workshop for non-profits.
- Advocated for the arts at all governmental levels, sought to secure public funding, promoted the arts as an economic development tool, and worked to ensure that the arts are a vital part of every child's education.

Since the Alliance relies solely on public funding for its activities, and our primary source of revenue from the National Endowment for the Arts will be severely curtailed, we are requesting a \$300 appropriation from the Town of Rutland for the 1996 calendar year. If you are interested in learning more about the Alliance or becoming involved in our work, please call at 747-3590.

Thank you for considering this request.

Sincerely yours,

Ann Singiser, Coordinator

RUTLAND AREA HOSPICE, INC.
PO Box 924, Rutland, VT 05702
(802) 775-3009

Letter to the Town of Rutland for Inclusion in Town Report:

Rutland Area Hospice is an all volunteer, non-profit program that is free to anyone that is terminally ill, with 6 months or less to live. R.A.H. provides volunteers that give respite, emotional spiritual and physical support to both patient and family. R.A.H. provides bereavement follow-up with family members for one year following the death of the patient.

Volunteers also provide, as a free service, education on death and dying to schools, colleges and any groups that are interested.

We are currently putting in place bereavements groups for families, children and schools that we will have available to you in 1996.

Respectfully submitted,

Jane I. Taylor
 Director of Programs

Rutland Town Report 1995

VERMONT CENTER FOR INDEPENDENT LIVING**Report to Towns****Fiscal Year 1995****(October 1, 1994–September 30, 1995)**

The Vermont Center for Independent Living, founded in 1979, is a private, non-profit organization of Vermonters with disabilities working together for dignity, independence, and civil rights. Our goals are to increase opportunities for people with disabilities to participate fully in the life of our communities and to dismantle the physical, communication, and attitudinal barriers that prevent us from realizing our full human potential. We work together with our citizens with disabilities to achieve full human and civil rights and equal access to community services and opportunities; to increase the availability of community resources and options for independent living; and to gain the power to control and direct our own lives.

VCIL is Vermont's first and only statewide cross-disability independent living center and was the first organization in Vermont to be directed and staffed by people with disabilities.

VCIL served over 3,500 Vermonters this past year. We offer information and referral services, one-on-one peer advocacy counseling, and assistance with obtaining equipment and services that enable people with severe disabilities to live more independently. We also offer assistance in modifying home entrances and bathrooms of low-income Vermonters with disabilities, community advocacy, information about the Americans with Disabilities Act and other civil rights laws, help in obtaining accessible and affordable housing, and meals-on-wheels for persons with disabilities. We have offices in Montpelier, Brattleboro and Bennington as well as a network of locally-based Peer Advocate Counselors serving the entire state.

In FY 1995, staff members of the Information and Referral and Assistive Technology programs responded to 2,144 requests for information and/or assistance state-wide. The Home Access Project received 118 requests for assistance with home accessibility modifications during the year and 42 projects totaling \$72,821 were completed. Counselors in the Peer Advocacy Counseling program provided assistance to 371 people with disabilities. VCIL awarded \$73,000 to 176 individuals in the Independent Living Services program and also served 95 people through the Meals on Wheels program. Staff of the Community Advocacy program made over 564 advocacy contacts during the year.

For more information contact Vermont Center for Independent Living, 11 East State Street, Montpelier, VT 05602; telephone: (802) 229-0501 or 1-800-639-1522 (Voice and TDD).

We are pleased to announce we have moved to 11 East State Street, Montpelier, VT 05602. The new Center enables us to offer increased services from a larger and totally accessible workplace. Our phone numbers remain the same.

PREVENTION WORKS

78 South Main St.

Rutland, VT 05701

775-8224 Ext 180

Prevention "Works" Report for 1995

Prevention "Works" is an alcohol and other drug abuse program that provides education to children and adults in Rutland County and promotes healthy lifestyles and wise decision making as alternative to substance abuse.

In 1995, we sponsored the October **Red Ribbon Week Campaign**, delivered *Red Ribbon Week Kits* to all Rutland County schools, and distributed 15,000 red ribbons to schools, businesses, and organizations. We also coordinated and put on four **Prevention Conventions**, including one at Rutland Town Elementary School for grades K-8. We brought twenty educators to the school for this day-long event, which took place in the classrooms, library, and new gym and involved students in many hands-on, fun learning experiences. Additionally, we provided a special Red Ribbon Kit to all high schools, which included prevention videos and classroom materials and suggested lesson plans.

Prevention "Works" began the 1995 year by helping to coordinate and then chaperoned the Teen Center for First Night Rutland, which many Rutland Town youth attended. In March we sent April Alcohol Awareness Month campaign kits to all the schools and sponsored two evening programs for parents (held in Rutland and open to the public). In May, we put on an alcohol-free benefit concert with Satin and Steel to which the public was invited. We gave presentations to groups and to the general public via radio shows; published four prevention newsletters; and responded to inquiries for assistance among other activities.

During the spring, summer, and fall we also worked on producing *A Vermont Parent's Resource: A Guide To Raising Healthy, Drug-Free Children* which was recently completed. We hope to give a free copy of this comprehensive 125-page guide to every Rutland Town family in 1996.

As a non-profit educational program with a part-time director and small but active group of volunteers, we depend on contributions from towns, United Way, the state, and individual donors. We thank the voters of Rutland Town for your past support and hope you will continue to support Prevention "Works" with a donation of \$1000 for 1996. We welcome new members to our advisory board and committees; interested persons or anyone needing assistance can call us at 775-8224 extension 180.

Respectfully submitted,

Karen D. Lorentz, Director
Prevention "Works"

LEGISLATIVE REPORT
Representative Steve Howard

The legislative session is moving quickly toward our targeted April 20th adjournment. The issue that is capturing most of our attention is clearly balancing the state budget and addressing the impact of severe federal budget cut backs for programs that are vital to Vermonters. Here are my priorities this session:

Balancing the state budget and preserving our bond rating:

The 1995 fiscal year ended last June with a 14.5 million dollar hole. We balanced that budget with one time transfers from special funds that were running in a surplus. The larger problem is the nearly 40 million dollar deficit in the current year budget, FY 1996. We will cut spending to deal with the vast majority of this problem. The cause of this deficit seems to be increasingly tied to the fact that our income tax is piggy backed with the federal government liability. The marginal federal rate has dropped significantly over the last ten years, that is adversely impacting our state revenues. I proposed privatizing at least one government agency to generate an estimated 2-5 million dollars in savings or revenue.

Protecting the residents of Rutland Town from higher taxes.

I continue to be opposed to tax sharing and tax schemes that raise taxes on the working people and the senior citizens in Rutland Town. I am working for an alternative to the Governor's proposal to eliminate the business and machinery tax that would have a significant impact on the average home owner in the town, increasing their taxes by nearly \$170 a year. I am opposed to shifting tax burden onto residential tax payers.

Working to reform Welfare

The good news is that our Aid for Families with Dependent Children caseload is dropping to an historic low. The administration expects that at the end of the year welfare will cost over one million dollars less than expected. I joined my colleagues in the House to support a higher minimum wage, something that will greatly help reduce reliance on government programs by rewarding work. I also have put in legislation to enhance the job training and skill development for poor women who are most inclined to depend on AFDC.

Putting new ideas on the table

This session I have introduced a series of bills designed to get Vermont thinking more boldly about our future economy and our community. Addressing the need to make college education more affordable, to grow our job creation in the education industry, as well as to focus on the needs of working families.

Feel free to call me anytime toll free to discuss our work.

1-800-322-5616

RUTLAND NATURAL RESOURCES CONSERVATION DISTRICT

The mission of the Rutland Natural Resources Conservation District is to enhance the planning, conservation, and proper development of the District's natural resources and to involve the landowners and general public with this process through increased program visibility.

A Conservation District is a political subdivision of the State of Vermont, as approved by the Legislature in 1939, to cooperate with individuals, landowners, organizations, and state and federal agencies to prevent and control soil erosion and flooding throughout the State. The Rutland District was established in 1968. It includes the sixteen towns in the eastern part of Rutland County and Rutland City.

The conservation districts decide what conservation work needs to be done in the district and is the vehicle through which landowners receive local, state, and federal assistance. The district actively encourages landowners to sign up as cooperators. It coordinates the efforts of resource-related programs and is the local sponsor for large scale conservation projects.

Working through the districts, the Natural Resources Conservation Service (NRCS), formerly the Soil Conservation Service (SCS) of the U.S. Department of Agriculture provides technical assistance to individuals, groups, and communities who make decisions about conservation, development, and use of natural resources.

During 1995, the District was involved in the following projects:

- Selling "Habipak" tree and shrub packages to landowners.
- Held an Arbor Day ceremony in Tinmouth to honor retiring Supervisor Marcus Fish for his many years of service to Rutland Co landowners.
- Sponsored a Backroads Workshop to inform Town Managers, Road Commissioners and crew about effective erosion and water control.
- Named David and Michelle Parker of Chittenden as Conservation Farmers of the Year.
- Jointly purchased a professional display with the Poultney-Mettowee NRCD. The display was used at various functions and meetings around the state.
- Reviewed Act 250 requests and made on-site visits on ones requiring NRCD input.
- NRCD Supervisors were closely involved in helping to find a location for the new Rutland-Bennington Ag Service Center at Trolley Square.
- Supervisors worked at Ag Awareness Day at Rutland Fairgrounds.
- Signed a contract with the US Fish & Wildlife Service regarding their Partners for Wildlife program. This program assists landowners in repairing eroded streambanks and man-altered wetlands.
- Hired Debbie Grembowicz as new District Clerk/Manager.
- Provided trout to local pondowners.
- Secured a grant for developing a Nature Walk.

Any landowner or farmer is encouraged to contact our office for technical assistance or advice. The office is located at 170 South Main Street, Trolley Square, Rutland, Vermont or call 802-775-7192.

Edward J. Pomainville, Jr.
Chairman, Board of Supervisors

VERMONT ENHANCED 9-1-1 BOARD Status Report—1995

1995 was a pivotal year in the development of statewide enhanced 9-1-1 calling system. With overwhelming support from the legislature and communities throughout the state, the foundation for implementation of enhanced 9-1-1 was set.

Enhanced 9-1-1 is based on two important precepts: (1) *We will answer your emergency call*, and (2) *We will find you*. In order to allow this to happen, a calling network must be developed to allow quick, easy, and reliable access to emergency services, no matter where in the state you are (*we will answer your call*). Secondly, locatable street addressing must be established (*we will find you*).

Early in the year, the legislature approved a rule proposed by the Board for addressing. Following this, an addressing handbook was developed and distributed to communities through the state. Far from being a rigid set of rules to be applied statewide, the addressing rule provides a guide for communities to develop locatable street addresses to best allow delivery of emergency services under 9-1-1. In addition, the guidebook provides valuable information on related issues. By year's end, the Board was making final arrangements with a contractor to provide GIS assistance to communities for addressing.

Next, the board tackled the technical and operational aspects of the Enhanced 9-1-1 system—the proverbial nuts, bolts, and widgets that make the system run. Standards were developed and approved by the legislature as a rule, which guide the development and operation of the network, operation of the answering points, system reliability, and confidentiality, and the disbursement of equipment. With this done, specifications were developed and the system put out to bid.

The Board is on target for implementation of statewide enhanced 9-1-1 by July of 1997. In 1996, as we proceed toward our goal, engineers and technicians will be building the system. In the meantime, we encourage communities to press on with road naming, addressing, and completing municipal plans. This work is critical to the successful implementation of a reliable Enhanced 9-1-1 system. Take advantage of the resources and help available to do this: the E9-1-1 staff is available and ready to assist you. The Enhanced 9-1-1 Board can be reached at 1-800-342-4911 mailing address 58 East State Street, Drawer 20, Montpelier, VT 05620-6501.

E9-1-1 terms that you may hear about or read in the next year:

PSAP—Public Safety Answering Point—The place where 9-1-1 calls are answered.

ALI/ANI—Automatic Location Information/Automatic Number Information—the telephone subscriber information which locates the source of a 9-1-1 call.

**GEORGE D. AIKEN RESOURCE CONSERVATION AND DEVELOPMENT
(RC&D) COUNCIL
AVAILABLE TO HELP YOUR TOWN**

The George D. Aiken RC&D Council is here to serve your community. We coordinate and facilitate help to town governments, school districts, fire departments and non-profit groups in the six southern counties in Vermont. We are a voluntary non-profit citizen's group supporting community betterment and rural development. Through the U.S. Department of Agriculture, we get technical assistance and staff help, but our Council is a self-supporting nonpartisan organization that is available to **help you**.

We work at the request of communities or others to help them help themselves. We bring together technical and financial resources focused on the specific needs that you may have. Our mission is to meet your needs and we rely upon our extensive networks to bring the resources together.

Highlights of our work in 1995 and initiatives that can **help you** include:

Improved Rural Fire Protection

We in rural Vermont tend to experience greater loss from fire and pay higher insurance premiums. The AmeriCorp Vermont Fire Technical Support Team is your very own personal consultant that can help your fire service. At your request they can:

- Assist with strategic plans for water to suppress fires
- Provide technical; specifications and plans for dry hydrants
- Develop marketing, recruitment strategies and funding sources
- Develop communication networks among fire departments

In the spirit of community service the RC&D Council has joined with the Natural Resources Conservation Service (formerly SCS), the Vermont Rural Fire Protection Task Force and AmeriCorp to support this team. We worked with 72 fire departments in 1995, if your town was not one of them give us a call.

Better Backroads-Clean Water You Can Afford

We helped coordinate a series of workshops throughout Vermont to help local road managers cost effectively maintain gravel roads, while reducing silt and other pollutants going into your streams and lakes. *The Vermont Better Backroads Manual* was developed as a hands on tool that can be used to help your road managers and crew make cost effective decisions each and every day. The *Manuals* are just off the press and will be mailed to every town during February 1996. Look for additional workshops and technical information coming your way in 1996.

Implementing Creative Planning Techniques in Your Town

This innovative educational package highlights 6 Vermont communities that have used planning and zoning techniques in creative ways to guide change. The 18 minute video and companion workbook is aimed at Vermont town planning commissions, selectboards and conservation commissions. The workbook takes a new and enlightened approach to help local decision makers look at their town and town plans from a different perspective. **FREE ... NO COST ...** that's correct! If your town has not gotten its free copy of this package please contact your RC&D office or the regional planning commission in your area.

Please consider the George D. Aiken Resource Conservation and Development Council your source of help. We work on a request basis. For information and free consultation call Dennis Borchardt our Executive Director at (800) 299-6408.

RUTLAND REGION TRANSPORTATION COUNCIL

The **Rutland Region Transportation Council** is dedicated to promoting cooperation and coordination on transportation issues among municipalities, organizations, and interests in the Rutland Region. Formed in December of 1992, the **Transportation Council** provides a forum for the development of regional transportation policies and priorities, and coordinates the implementation of those policies and priorities with the Vermont Agency of Transportation. Financial support for the organization is provided by state and federal funds obtained by the Rutland Regional Planning Commission.

All municipalities in the Rutland Region are considered members of the **Transportation Council**. However, municipalities are not obligated to participate in the **Council**; furthermore, those that do participate may cease their involvement at any time.

The Past Year

Most recently, the **Rutland Region Transportation Council** has been deeply involved in the development of comments concerning a proposal by the Vermont Agency of Transportation (VAOT) to "prune" a number of highway projects and prepare a revised five year capital program. With broad support from communities, the Transportation Council prepared comments and a counter proposal for VAOT to consider.

Also during 1995, the Transportation Council and its staff have accomplished the following:

- Developed a regional travel demand forecast to aid in the identification of future transportation needs;
- Assisted communities in the advancement of applications for state and/or federal transportation grant funds;
- Participated in statewide "Congresses" to discuss transportation issues with the Vermont Secretary of Transportation;
- Sponsored a public presentation/question and answer session on regional transportation issues;
- Adopted the "Rutland Region Transportation Plan," a regional transportation policy document; and
- Coordinated with consultants preparing the US4/US7 Environmental Impact Study.

Now and In the Future

In 1996, the **Rutland Region Transportation Council** will be continuing many of the efforts it worked on last year. It will also be undertaking several new initiatives, such as developing a system to track the progress of transportation projects as they make their way through the Agency of Transportation. The Transportation Council will also focus greater attention on non-highway transportation topics, including rail, air, and transit. And, it will be assisting in the completion of special studies looking at the transportation needs of village areas along the Route 7 corridor (in Brandon, Pittsford, and Wallingford) and identifying solutions to highway "chokepoints."

Meetings of the **Rutland Regional Transportation Council** are held once each month, normally on the fourth Thursday, in Rutland. All those with an interest in transportation and related issues are invited to attend.

Questions about the **Transportation Council** may be directed to the following individuals:

Howard Spinner, Rutland Town's Representative on the Council (747-5575)
 Dean Pierce, Senior Regional Planner (775-0871)
 Charles Wise, Chairman (773-4202)

VERMONT LEAGUE OF CITIES AND TOWNS Town Report

The Vermont League of Cities and Towns (VLCT) was organized in 1967 by cities and towns for cities and towns in Vermont. VLCT is governed by a 13 member board of directors comprised of selectpersons, mayors, managers and clerks and is dedicated to serving the best interests and needs of Vermont municipalities. VLCT is supported entirely by revenues from local governments. 245 of 246 cities and towns in Vermont are members of the association.

Local officials are responsible for a vast number of laws and regulations to assure their residents' health and welfare, ranging from protection against rabies threats to keeping the roads clear, to providing for solid waste management and fire protection. The Vermont League of Cities and Towns puts considerable effort into providing education for local officials. We offer workshops throughout the year to health officers, planning commissions, zoning administrators, selectpersons, auditors, tax collectors and others. In addition VLCT provides manuals on specific subjects to guide local officials in the discharge of their responsibilities. A new book produced this year, the Handbook for Delinquent Tax Collectors, guides collectors of delinquent taxes through the maze of Vermont's taxation laws. VLCT staff is only a phone call away for local officials with specific questions about any local government matter. More than 5000 questions were answered in the past year from virtually every member municipality. Municipal attorneys are also available to give advice and legal opinions through the VLCT Law Center. VLCT is committed to helping municipal leaders develop expertise in their city and town jobs and appropriately handle the very complex problems that face them daily.

VLCT offers insurance "trust" programs to municipalities that save taxpayers thousands of dollars every year because member municipalities pool their resources before purchasing insurance. In 1995 the VLCT Health Trust returned more than \$1,735,046 to its 251 member municipalities and the Property, Casualty and Insurance Fund (PACIF) returned \$600,000 to its 178 member municipalities. Since 1983 total distributions from the Health, PACIF and Unemployment Trusts have equalled \$6,624,000!

The *VLCT News* and *VLCT Weekly Legislative Report* provide municipal officials with up-to-date information on legislative issues and articles of special interest on topics such as workplace safety, funds available through the federal crime bill, and municipal planning. As of 1993 members may access that information through a computer bulletin board service (joining the "information highway") as well. Each member city or town has a vote at the annual meeting.

VLCT represents the interests of local government in the legislature, using as a basis for positions that are taken on different subjects the *VLCT Municipal Policy*, a policy platform that is adopted by the membership at its annual meeting in October and covers a wide range of topics affecting local government including elections law, financial management, property taxes, transportation, and environmental issues.

Dues paid by member municipalities are vital to the continued existence of VLCT. Municipal officials around the state thank you for your support.

OFFICERS

NEWLY-FORMED FIRE DISTRICTS IN THE TOWN OF RUTLAND, VERMONT
